Reason for the meeting was a joint session with Dorr, Leighton, and Salem Townships to review the community policing program.

Supervisor Kaczanowski gave a brief overview of the current community policing program. Discussion was then held and public comments were heard regarding the current program. After discussion was held it was requested that Lt. Baker provide a detailed breakdown of the community officers' calls over the past several years. The three Township Supervisors will then meet again when the breakdown is available. It was also emphasized that suggestions and/or concerns with the community policing program be brought to a Township Supervisor's attention so that issues can be addressed in a timely manner.

VanDorp moved and seconded by VanHaitsma to adjourn. Motion carried.
