7. Public comment: Mr. Lloyd Rich of Foxfire Pullers read a letter concerning their request for a special use permit. Foxfire Pullers is an antique Tractor pulling club in Dorr. After hearing the letter the Commission explained that it is not that we do not want the Tractor Pullers here it is that we as yet do not have an ordinance on file that fits their particular needs. Suggestions were made to re-zone agricultural to include this type of activity, or add it to the “Outdoor Gathering” ordinance, or possibly add it to the “Parks and Recreation” ordinance. These options will also be discussed at the Township Board Meeting on Thursday.
8. Old Business:
A: Medical Marijuana:
The attorney’s investigation and documentation of other local ordinances was commented on being well written and thorough. We are going to keep looking at this to see if there are any new developments.
9. Commissioner Comments: K Ranch owner Tony Hall wrote a letter to the commission that he felt that the Tractor Pulls were a family oriented event and would greatly benefit the community.
